Introduction

Important information about your Provider Directory

Always check your provider's status

This provider directory lists providers and other health care professionals in our network you can use to get care. This provider directory is current as of the date on the front cover, but listing a provider or health care provider does not guarantee their continued status as a participating provider or health care provider.

We have made every effort to ensure a correct listing, but errors can happen with a directory of this size. Always check to see if your provider accepts UnitedHealthcare before you get care by calling Member Services, **1-800-587-5187**, TTY **711**. Member Services is available Monday through Friday, from 8 a.m. to 6 p.m. We will be happy to help you.

The providers listed are independent contractors and do not work for UnitedHealthcare. UnitedHealthcare pays its primary care providers and its specialists every time they see one of our members and provide a covered service. This is known as "Fee For Service." We pay hospitals and other types of providers in the UnitedHealthcare network the same way; they get paid every time you see them, or get a covered service from them. We never hold back payments to our providers for giving too much service.

Reporting incorrect information

To report incorrect information, email provider_directory_invalid_issues@uhc.com.

This email box is for members to report potential inaccuracies for demographic (address, phone, etc.) data elements identified on the online or paper directories. Reporting issues via this mailbox will result in an outreach to the provider's office to verify all directory demographic data.

Individuals can also report potential inaccuracies via phone. UnitedHealthcare Community Plan members should call the number on the back of their member ID card. Non-UnitedHealthcare Community Plan members can call **1-888-638-6613**.

Providers should go to UHCprovider.com/portal to use the My Practice Profile tool in the UnitedHealthcare Provider Portal under the Practice Management drop-down. Contractual issues should be addressed through your UnitedHealthcare Network contact at UHCprovider.com/contactus.

Primary Care Provider

As a UnitedHealthcare Community Plan member, you need to choose a Primary Care Provider (PCP). If you need help choosing a provider, just call Member Services at **1-800-587-5187**, TTY **711**. Member Services is open from Monday through Friday, 8 a.m. to 6 p.m. When you call, always make sure you have your UnitedHealthcare identification number ready. The number is written on the front of your identification card.

If you think you need a specialist, talk to your Primary Care Provider first. Your provider will help you find the type of specialist you need and one who is part of our network. You may need to obtain a referral from your Primary Care Provider allowing you to see another provider, such as specialist. If you have questions, contact member services at **1-800-587-5187**, TTY **711**. If you prefer not to see the referred provider, your Primary Care Provider can refer you to another participating provider. Below is a list of specialty services that do not require a referral:

- Obstetrics/gynecology
- Behavioral health services
- Provider services for emergency/unscheduled admissions
- Physical therapy
- Occupational therapy
- Speech therapy
- Family planning
- Sexually transmitted disease services
- Early intervention services
- Emergency services at an emergency room or hospital
- Urgent care visits (in-network)
- Kidney dialysis services from a certified in-network dialysis facility
- Routine eye exams, eye care, eyeglasses and contacts from in-network ophthalmologists or optometrists
- Radiology Services
- Allergists
- Nutritionists

How to read your Directory

This is your UnitedHealthcare Directory of Providers and Other Health Professionals. You will find information about each one of the primary care providers, specialty care providers, mental health providers, and hospitals in our network. We also list many other health care providers in our directory. These include laboratories, drug stores, Walk-In & Urgent Care Centers and many others.

All primary care and specialty care providers, hospitals, drug stores, clinics/health centers are listed in order by name and by the town in which they are located.

At the back of your Provider Directory, there is an index of all the UnitedHealthcare providers you can use to get care. They are in order by name. You can use this index to help you find a certain provider quickly.

If you have any questions about how to read your Provider Directory, or if there is any information you do not understand, please call Member Services at **1-800-587-5187**, TTY **711**. Member Services is available Monday through Friday, 8 a.m. to 6 p.m. We will be happy to answer any of your questions.

Here's how you can find a:

Primary Care Provider

Primary care providers are listed first in the Provider Directory under Primary Care Providers. The primary care providers are listed in order by name and by the town in which they are located. You must pick one of these providers for yourself and a pediatrician or family practitioner for your children.

Specialty Care Provider

Some providers receive additional training in an area of medicine after graduation from medical school. These providers are called specialists. Some of these services may need a referral from your primary care provider. These kinds of healthcare providers are listed under the "Specialists" part of your Provider Directory.

Each provider tells us what his or her specialty is when they complete the form/application to join UnitedHealthcare. Our staff checks with the board or medical school to make sure the provider completed all of his/her training. We also check this information at least every three years to make sure it is still true. UnitedHealthcare updates this information if the provider gives us new information or changes.

Here's how you can find a:

Hospital

We have listed all the hospitals where you can get care and where they are located. You can find the hospitals under "Hospitals." Your Primary Care Provider will refer you to a hospital if you need to go to a hospital. Remember in an emergency, go to the nearest emergency room. You should contact your provider as soon as possible to let him or her know that you visited the Emergency Room.

Radiology provider (for X-rays)

We have listed all the radiology sites where you can get care and where they are located. They are listed under "Specialty Providers."

Eye provider

We have listed all the providers where you can get your eyes exams and glasses and where they are located. They are listed under "Vision Providers."

Drug store

We have listed all the drug stores/pharmacies where you can get your medications and where they are located. They are listed under "Pharmacies."

Urgent care

We have listed all the urgent care sites where you can get care and where they are located. They are listed under "Urgent Care Providers."

Lab (for blood work)

We have listed all the lab sites where you can have blood drawn and where they are located. They are listed under "Ancillary Providers."

Mental health and substance use provider

Providers and counselors in the Optum Behavioral Health (Optum) network are listed in the Provider Directory under "Behavioral Health." For the most up-to-date information about providers and counselors in Optum's network, visit <https://www.Liveandworkwell.com> to access Optum's searchable online directory. You need to call Optum at 1-800-435-7486 before you receive mental health or substance use treatment.

If you need help finding any kind of provider call Member Services at **1-800-587-5187**, TTY **711**.

Here is some information to note as you read the Directory

Handicap accessible ♿

Offices that are handicap accessible are footnoted with a wheelchair symbol after the provider's name. This means the office has special ramps and wide doors for wheelchairs. A provider's office may be handicap accessible even if it is not marked in this directory. You can always call the provider to ask if the office is handicap accessible. Our providers tell us if their office is handicap accessible when they join UnitedHealthcare. The information is also provided to us at least every three years. We do not check this information to make sure it's right — we take the provider's word that the information is accurate (true). UnitedHealthcare updates this information if the provider gives us new information or changes.

Not accepting new patients

Providers who have closed their office to new patients are identified under "Limitations" as "Does Not Accept New Patients." If you already see a provider who is footnoted as not accepting new patients, you can still see them. You can always call the provider to ask if they are accepting new patients. Our staff asks each provider if they are accepting new patients when they complete their application to join UnitedHealthcare. We also check this information at least every three years to make sure it is still true. UnitedHealthcare updates this information if the provider gives us new information or changes.

Board certified

Providers who are board certified are identified with a "Y" or "N" under Board Certification. Board certification means that a provider has completed national exams and requirements for certification. Each provider tells us about his/her board certification when they complete the form/application to join UnitedHealthcare. Our staff checks with the board to make sure the provider has received his/her board certification. We also check this information at least every three years to make sure it is still true. UnitedHealthcare updates this information if the provider gives us new information or changes. To review your provider's board certification visit www.certificationmatters.org/is-your-doctor-board-certified.

Hospital affiliation

UnitedHealthcare's primary care and specialty care providers are required to tell us which hospital they are affiliated with, or will refer you to when you need non-emergency care. Each provider tells us his or her hospital affiliation (s) when they complete the form/application to join UnitedHealthcare. Our staff checks with the hospital to confirm the information each provider provides. We also check this information at least every three years to make sure it is still true. UnitedHealthcare updates this information if the provider gives us new information or changes.

Medical group

Under some of the providers' names, you might see the name of a medical group. Medical groups have more than one provider at that location. If you see a group name, this is the medical group that the provider belongs to. Each provider tells us his or her medical group affiliation (s) when they complete the form/application to join UnitedHealthcare. We do not check this information to make sure it's right — we take the provider's word that the information is accurate (true). We also check this information at least every three years to make sure it is still true. UnitedHealthcare updates this information if the provider gives us new information or changes.

Foreign language

Providers who speak and/or have someone in the office who speaks a foreign language have a language code under their name. A complete listing of these codes can be found in the index pages in the back of this directory. Our providers tell us their name, gender, and the languages they speak when they join UnitedHealthcare. We do not check this information to make sure it's right — we take the provider's word that the information is accurate (true). We also check this information at least every three years to make sure it is still true. UnitedHealthcare updates this information if the provider gives us new information or changes.

You can also have an interpreter go to a medical appointment with you. Call Member Services at **1-800-587-5187**, TTY **711**, to ask for an interpreter. Please call us 72 hours in advance of your appointment for a Language Interpreter. For Sign Language Interpreter, please call us 14 days in advance of your appointment. We will do our best to help coordinate an interpreter for your appointment.

If you would like to know which medical school the provider went to or if you would like to know about the provider's other professional experience (where the provider completed his/her training or what type of certifications the provider has), go to **www.abms.org** and click on the section for "consumers." Here, you will also find a description of the provider's specialty. For example, a provider whose specialty is "Obstetrics" is trained to deliver babies. You can also call Member Services at **1-800-587-5187**, TTY **711**, to learn more about the providers in our network.

Hospitals

The following is a list of hospitals where you can get care in Rhode Island and Massachusetts. All inpatient and emergency facilities at these hospitals are part of the UnitedHealthcare Community Plan network.

All of the hospitals listed have received accreditation from The Joint Commission — **TJC*** (formerly known as the Joint Commission on Accreditation of Hospital Organizations or JACHO). The Joint Commission has requirements and standards for hospital safety and quality of care. If a hospital is “accredited,” this means it has met these requirements. Each hospital tells us whether it is accredited by TJC when it joins UnitedHealthcare. Our staff verifies this directly with the Joint Commission. We also re-check at least every three years and update this information if the hospital informs us of changes.

You may find the accreditation status of a hospital on the TJC website:

<http://www.qualitycheck.org//consumer/searchQCR.aspx>

Or you can check the hospital accreditation site of the American Osteopathic Association at:

Introducción

Información importante sobre su Directorio de Proveedores

Verifique siempre el aval de su proveedor

El directorio de proveedores contiene una lista de proveedores y otros profesionales médicos de nuestra red que usted puede usar para obtener atención médica. Este directorio de proveedores está actualizado a la fecha que figura en la portada, pero la inclusión de un proveedor o proveedor de atención médica no garantiza su condición continua como proveedor o proveedor de atención médica participante.

Hemos hecho todo esfuerzo posible por asegurar una lista correcta, pero pueden ocurrir errores con un directorio de este tamaño. Verifique siempre si su proveedor acepta UnitedHealthcare antes de obtener atención médica llamando a Servicios para Miembros al **1-800-587-5187**, TTY **711**. Servicios para Miembros se encuentra disponible de lunes a viernes de las 8 a.m. a las 6 p.m. Nos complacerá ayudarle.

Los proveedores que aparecen en la lista son contratistas independientes y no trabajan para UnitedHealthcare. UnitedHealthcare paga a sus proveedores de atención primaria y a sus especialistas cada vez que ellos atienden a uno de nuestros miembros y brindan un servicio cubierto. Esto se conoce como “Pago por servicio”. Pagamos a hospitales de UnitedHealthcare y a los otros tipos de proveedores de la red de UnitedHealthcare de la misma manera, a ellos se les paga cada vez que usted los visita o recibe un servicio cubierto de ellos. Nunca retenemos pagos a nuestros proveedores debido a que le brindan demasiados servicios.

Informar información incorrecta

Para informar información incorrecta, envíe un correo electrónico a **provider_directory_invalid_issues@uhc.com**.

Este buzón de correo electrónico es para que los miembros informen posibles inexactitudes en los elementos de datos demográficos (dirección, teléfono, etc.) identificados en los directorios en línea o impresos. Informar problemas a través de este buzón de correo resultará en un acercamiento a la oficina del proveedor para verificar todos los datos demográficos del directorio.

Las personas también pueden informar posibles inexactitudes por teléfono. Los miembros de UnitedHealthcare Community Plan deben llamar al número que figura en el reverso de su tarjeta de identificación de miembro. Los miembros que no pertenecen a UnitedHealthcare Community Plan pueden llamar al **1-888-638-6613**.

Los proveedores deben ir a **UHCprovider.com/portal** en el Portal de proveedores de UnitedHealthcare para usar la herramienta Mi Perfil de Práctica (My Practice Profile) en el menú desplegable Administración de Práctica (Practice Management). Los problemas contractuales deben abordarse a través de su contacto de UnitedHealthcare Network en **UHCprovider.com/contactus**.

Proveedores de atención primaria

Como afiliado a UnitedHealthcare Community Plan, es necesario que elija a un Proveedor de atención primaria (PCP). Si necesita ayuda para elegir un proveedor, simplemente llame a Servicios para Miembros al **1-800-587-5187**, TTY **711**. Servicios para Miembros está abierto de lunes a viernes de las 8 a.m. a las 6 p.m. Cuando llame, asegúrese siempre de tener listo su número de identificación de UnitedHealthcare. El número está escrito en la parte del frente de su tarjeta de identificación.

Si cree que necesita ver a un especialista, converse primero con su Proveedor de atención primaria. Su proveedor le ayudará a encontrar el tipo de especialista que usted necesita y uno que sea parte de nuestra red. Es posible que necesita obtener una referencia de su Proveedor de atención primaria que le permita ver a otro proveedor, como por ejemplo un especialista. Si tiene preguntas, comuníquese con Servicios para Miembros al **1-800-587-5187**, TTY **711**. Si prefiere no ver al proveedor al que se le refirió, su Proveedor de atención primaria lo(a) puede referir a otro proveedor participante. A continuación se presenta una lista de servicios que no requieren una referencia:

Esta es la manera en que usted puede encontrar un:

Proveedor de atención primaria

Los proveedores de atención primaria aparecen primero en el Directorio de proveedores. Los proveedores de atención primaria aparecen organizados por nombre y por la ciudad en el que están localizados. Usted debe elegir a uno de estos proveedores para usted y un pediatra o médico de familia para sus niños.

Proveedor especializado

Algunos proveedores reciben capacitación adicional en un área específica de la medicina después de su graduación de la escuela médica. Estos proveedores se conocen como especialistas. Algunos de estos servicios pueden necesitar una referencia de su proveedor de atención primaria. Estos tipos de proveedores de atención médica aparecen bajo la parte “Especialistas” de su Directorio de proveedores.

Cada proveedor nos informa cuál es su especialidad cuando completa el formulario/la solicitud para afiliarse a UnitedHealthcare. Nuestro personal verifica con la junta médica o escuela de medicina para asegurarse de que el proveedor haya completado toda su capacitación. Además verificamos esta información al menos cada tres años para asegurarnos de que siga siendo verdadera. UnitedHealthcare actualiza esta información si el proveedor nos da información nueva o cambios.

Esta es la manera en que usted puede encontrar un:

La siguiente es información que querrá notar mientras lee el directorio

Fácil acceso para personas discapacitadas

Los consultorios que tienen fácil acceso para personas discapacitadas tienen una nota a pie de página con el símbolo de una silla de ruedas después del nombre del proveedor. Esto significa que el consultorio tiene rampas especiales y puertas anchas para sillas de ruedas. El consultorio de un proveedor puede tener fácil acceso para personas discapacitadas incluso si no está marcado en este directorio. Usted puede llamar al proveedor para preguntar si el consultorio tiene fácil acceso para las personas discapacitadas. Nuestros proveedores nos informan si su consultorio tiene fácil acceso para personas discapacitadas cuando se afilian a UnitedHealthcare. Esta información también se nos provee por lo menos cada tres años. No verificamos esta información para asegurar que sea correcta — aceptamos la palabra del proveedor de que la información es exacta (verdadera). UnitedHealthcare actualiza esta información si el proveedor nos da información nueva o cambios.

No acepta pacientes nuevos

Los proveedores que han cerrado su consultorio a nuevos pacientes son identificados bajo “limitaciones”, como “No acepta pacientes nuevos”. Si usted ya es paciente de un proveedor que no acepta pacientes nuevos, puede seguir viéndolo. Usted siempre puede llamar al proveedor para preguntar si el consultorio acepta nuevos pacientes. Nuestro personal le pregunta a cada proveedor si acepta pacientes nuevos cuando completan su solicitud de afiliación a UnitedHealthcare. Además verificamos esta información al menos cada tres años para asegurarnos de que siga siendo verdadera. UnitedHealthcare actualiza esta información si el proveedor nos da información nueva o cambios.

Certificación de la Junta Médica

Los proveedores que son certificados por la junta médica están identificados con “Y” or “N” bajo la Junta Médica. La certificación de la Junta Médica significa que el proveedor ha completado los exámenes nacionales y requisitos para la certificación. Cada proveedor nos informa sobre su certificación cuando completa el formulario/solicitud para afiliarse a UnitedHealthcare. Nuestro personal verifica con la junta médica para asegurarse de que el proveedor haya recibido dicha certificación. Además verificamos esta información al menos cada tres años para asegurarnos de que siga siendo verdadera. UnitedHealthcare actualiza esta información si el proveedor nos provee nueva información. Para ver la certificación médica de su proveedor, visite www.certificationmatters.org/is-your-doctor-board-certified.

Afiliación a hospitales

A todos los proveedores primarios y especialistas trabajando para UnitedHealthcare se les requiere notificarnos a que hospitales están afiliados o a cuales hospitales les referirán cuando usted necesite cuidado que no sea de emergencia. Cada proveedor nos informa a que hospitales están afiliados cuando completan los formularios/aplicaciones para ser contratado para trabajar con UnitedHealthcare. Nuestros empleados verifican la información de cada proveedor. Nosotros también verificamos la información cada tres años para asegurar que es igual. UnitedHealthcare actualiza esta información si el proveedor nos provee nueva información.

Grupo médico

Debajo de algunos nombres de los proveedores, quizás verá el nombre del un grupo médico. Los grupos médicos tienen más de un proveedor en cada localización. Si usted ve el nombre de algún grupo, ese es el grupo médico a cual el proveedor pertenece. Cada proveedor nos informa si está afiliado con un grupo médico cuando completan los formularios/aplicaciones para contratarse con UnitedHealthcare. Nosotros no verificamos si la información dada está correcta — confiamos en la palabra del proveedor de que dicha información sea correcta. UnitedHealthcare actualiza esta información si el proveedor nos provee nueva información.

Idioma extranjero

Proveedores que hablan y/o tienen a alguien en el consultorio que habla un idioma extranjero tienen un código de idioma debajo del nombre. Usted puede encontrar un listado completo de estos códigos en el índice en la parte posterior de este libro. Nuestros proveedores nos dan su nombre, sexo y los idiomas que hablan cuando se afilian a UnitedHealthcare. No verificamos esta información para asegurar que sea correcta — aceptamos la palabra del proveedor de que la información es exacta (verdadera). Además verificamos esta información al menos cada tres años para asegurarnos de que siga siendo verdadera. UnitedHealthcare actualiza esta información si el proveedor nos da información nueva o cambios.

También puede hacer que un intérprete vaya a una cita médica con usted. Llame a Servicios para Miembros al **1-800-587-5187**, TTY **711**, para pedir un intérprete. Por favor llámenos con 72 horas antes de su cita para un intérprete de idiomas. Para un intérprete de lenguaje de señas, por favor llámenos 14 días antes de su cita. Haremos todo lo posible para coordinar los servicios de un intérprete para su cita.

Si usted quiere saber a qué universidad de medicina fue el proveedor o si desea saber sobre otra experiencia profesional del proveedor (donde el proveedor terminó su capacitación o qué tipo de certificaciones tiene), vaya a www.abms.org y haga clic en la sección de “consumidores”. Aquí usted también puede encontrar una descripción de la especialidad del proveedor. Por ejemplo, un proveedor cuya especialidad es “obstetricia” está capacitado para asistir partos. También puede llamar a Servicios para Miembros al **1-800-587-5187**, TTY **711**, para obtener más información sobre los proveedores de nuestra red.

Hospitales

La siguiente es una lista de hospitales en los que puede obtener atención médica en Rhode Island y Massachusetts. Todos los centros para internar pacientes y emergencia de estos hospitales son parte de la red de UnitedHealthcare Community Plan.

Todos los hospitales a continuación han recibido acreditación de La Comisión Unida (The Joint Commission, **TJC*** — antes conocido como Joint Commission on Accreditation of Hospital Organizations o JACHO). La Comisión Unida tiene requisitos y estándares sobre la seguridad y calidad de atención médica. Si el hospital está “acreditado”, esto significa que ha llenado los requisitos. Cada hospital nos informa si es acreditado por la TJC cuando se afilia a UnitedHealthcare. Nuestro personal verifica esta información con La Comisión Unida. Además la verificamos por lo menos cada tres años y actualizamos la información si el hospital nos informa que hay cambios.

Puede encontrar el estado de acreditación de un hospital en el sitio web de TJC:
